

In-Spire Call for reviewers

Summer 2010 InSpire Special Issue Volume 5, issue 1

In-Spire (www.in-spire.org) is a web-based journal hosted at Keele University in the UK. We seek academics from around the world to review books relevant to our themes of interest.

Our next special issue, set to be published in the summer of 2010, seeks to foster a discussion on “The limits of (inter)disciplinary research”.

Please see the following list of titles which can be ordered for a review to be published in the forthcoming issue. The deadline to request the books is 7 March 2010. Please note that any applicant is entitled to request one book only. The books will be distributed on a first-come first-served policy.
